**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good. Please prevent the possibility of a low competition marketplace in the internet service provider space since this might lead to a situation that is bad for the consumer. This principle should transcend party lines and ideologies. It is very important.

Thank you very much
